Studio Cellar Artist's Camp is back in 2019 and more creative than ever!

Artists will participate in an art installation collaboration with all the students as well as put on their very own public Art Exhibition at the end of the week.

Artists will be divided by their ages for some activities. Classes will be organized with hands-on lessons followed by rotating stations and active breaks that includes, scavenger hunts, crafts and educational games.

The week will be filled with enriching fine art projects that your child will LOVE & LEARN so much from. Learning is easy when incorporating fun projects and that is exactly why your child will thrive in our creative environment. Ignite your child's imagination, nurture their self-expression and develop culture with us at Studio Cellar's Artist's Camp week. **Weather your child is into art or not, Artist's Camp Week will be a blast of creativity, development and experiences.**

You child will be producing Fine Art as they learn about history's notable artist and apply different artistic styles. We will teach your child tools to use for becoming an independent artist as well as discuss the different options for an artist to make a living from their talents. Your child's strengths will be identified on a report to help you cultivate the success of your artist as well!
